

My Personal Wellbeing Action Plan

What can you do to support your physical, mental, social and emotional wellbeing?

Connect	Who can you spend time with? Ask a friend about their weekend and pay attention and listen when they tell you
Be Active	What can you do to stay active? How can you get outside? (You don't have to go to the gym.) Try a new sport / activity
Take Notice/Be Mindful	Are you aware of your own thoughts and feelings? What signs do you have that you are: angry; in shock; feeling guilty; in denial? Remember the things that make you smile
Keep Learning	What new skills would you like to learn? (This can give you a sense of achievement and new confidence.) Pick up a hobby / activity you enjoy but haven't done for a while
Give to Others	What can you do to make someone else's day better? (The smallest act can count.) Give unwanted items to a local charity shop

What can you avoid to support your mental wellbeing?	My potential triggers or challenges are:
E.g. Being alone all day, being hard on yourself, negative use of social media, comparing yourself to others, keeping things to yourself, staying in bed all day.	
	 If you need support: 1. Write down what is bothering you and show it to someone 2. Talk to an adult you trust: your Head of House; tutor; a teacher; parent; friend; doctor 3.
